Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed below and on the attached Form PTO 1449 and respectfully request that the listed documents be considered by the Examiner and made of record in the above-captioned application. Copies of all U.S. Patents and Applications are not enclosed pursuant to the waiver of 37 CFR 1.98 (a)(2)(i) for all applications filed after June 30, 2003. A copy of the International Search Report issued in related International Application No. PCT/US02/33865 is enclosed.

The citations listed below are also listed in the accompanying PTO Form 1449.

1. U.S. Patent No. 6,387,357, issued May 14, 2002, by Chopra et al., entitled "High Oil Clear Emulsion With Diene Elastomer." (Applicants note that the International Search Report incorrectly lists Chopra et al. as U.S. 6,397,357, rather than U.S. 6,387,357.)
2. U.S. Patent No. 6,426,062, issued July 30, 2002, by Chopra et al., entitled "Underarm Gel Products With Water Lock Component."

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

Applicant believes no fee is due in connection with this submission. If any additional fee is due, or if any overpayment has been made, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 02-4377.

Respectfully submitted,
